

GENERAL COMPETITION INFORMATION

Failure to follow the stated guidelines could result in disqualification of student competing.

All students wishing to compete at the Educators Rising National Conference must complete 3 required steps:

1. Be an Active-level paid national member of Educators Rising for the current school year. State level membership must be paid, if applicable.
2. Sign up to compete at the national conference and submit any required materials by the stated deadline through the Student Resources section in the EdRising Membership Portal.
This is NOT done automatically if you competed at a state or regional conference.
3. Register to attend the Educators Rising National Conference.

LEVELS OF COMPETITION

 - Middle School level — Grades 7, 8
 - High School Junior Varsity level — Grades 9, 10
 - High School Varsity level — Grades 11, 12
 - Collegiate level – Undergraduates only
- Teams consisting of students from varying grade levels will be placed in the division for the grade level of the most senior member.
- If there are not at least three competitors registered for a competition in a division, the competitors will be moved to the next highest division. The collegiate division will compete in their own division regardless of the number of competitors.
- All team events must have at least two students (and no more than four) per school to qualify.
- For teams consisting of students of varying grade levels, the team will be placed in the division for the grade level of the most senior member.
- If a competitor is from a state that holds state competitions, they must first qualify in that given event at their state conference before competing in that event at the Educators Rising National Conference. Contact your state/regional coordinator to see if your state offers competitions. Visit bit.ly/EdRisingAffiliates to contact your state/regional coordinator.
- For states that offer state-level competitions, the top ten places in each competition for each division offered by the state will be eligible to compete at the Educators Rising National Conference; no other entrants from states that offer the competition at the state level will be eligible for those state-level-offered competitions.
- For states that do not offer state-level competitions, students may register to compete in those events at the Educators Rising National Conference. This applies to all Educators Rising national competitions.
 - For example, if you want to compete in Impromptu Speaking but place sixth or lower in your state-level Impromptu Speaking competition or don't compete in the state level competitions at all — you unfortunately can't compete in Impromptu

PUBLIC SPEAKING COMPETITION

COMPETITION TYPE: Individual — Open to spectators

ELIGIBILITY LEVELS: Middle School, High School Junior Varsity, High School Varsity, Collegiate

EDUCATORS RISING STANDARDS:

- Standard I: Understanding the Profession
- Standard II: Learning About Students
- Standard VII: Engaging in Reflective Practice

Contest Purpose

Self-composure, confidence, and the ability to clearly articulate and communicate information are valuable skills for all educators. The Public Speaking Competition is designed to highlight students who demonstrate these qualities by combining thoughtful preparation and confident delivery into an interesting presentation on a current education topic.

Students participating in this competition will compose and deliver a speech of approximately 400 to 600 words (three to five minutes when spoken aloud) on the assigned topic. Contestants will be delivering their speech in front of on-site judges.

Assigned Topic

As of 2020, nearly 60 percent of schools and 90 percent of high schools have a police officer present at least part-time. The number of officers in schools escalated after the Columbine school shooting in 1999 and millions of dollars have been spent to dedicate officers to school campuses. However, activists have fought for years against the presence of police in schools, arguing that police pose a larger threat to students, particularly students of color, than they do a source of protection. Additionally, activists argue that the millions being spent on police would be better allocated to guidance counselors, social workers, and other mental health support staff.*

What factors must be considered when deciding whether or not police should be placed in schools? How can schools best ensure the safety of their students, with or without police officers present?

Competition Guidelines

- The speech must be about the assigned topic. Research and use of data are encouraged.

- The contestant may use up to five 4x6-inch index cards while delivering his or her speech. Only one side of each index card may be used for notes.
- Each presentation is to be a minimum of three minutes and a maximum of five minutes. A timekeeper will record the time used by each contestant, noting deductions of three points for

each full half-minute (30 seconds) over the five-minute maximum or under the three-minute minimum. In order to adhere to the schedule, the judges will stop any speech that exceeds six minutes.

- F. Contestants will receive a visual, non-verbal indication that there is one-minute remaining.

- G. A lectern and microphone will be available for the presentation.
- H. One visual aid may be used, but this is entirely optional. AV equipment will not be available for this competition.
